2. DETAILS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

2.1 Background

Paragraph 10.09(2) of the Listing Requirements allows a listed issuer to seek its shareholders' mandate in respect of RRPT subject to, inter-alia, the following:

- (i) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (ii) the shareholder mandate is subject to annual renewal, and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholder mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under paragraph 10.09(1) of the Listing Requirements;
- (iii) the issuance of a circular to shareholders by the listed issuer, which includes the information as may be prescribed by Bursa Securities, together with a checklist showing compliance with such information;
- (iv) in a meeting to obtain the shareholder mandate, the interested director, interested major shareholder, or interested person connected with a director or major shareholder, and where it involves the interest of an interested person connected with a director or major shareholder, such director or major shareholder must not vote on the resolution to approve the RRPT. An interested director or interested major shareholder must ensure that persons connected with him abstain from voting on the resolution to seek the shareholders' mandate; and
- (v) the listed issuer immediately announces to Bursa Securities when the actual value of a RRPT entered into by the listed issuer exceeds the estimated value of the RRPT disclosed in the circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

It is anticipated that the CSH Group would, in the ordinary course of its business, enter into RRPTs, which are necessary for the day-to-day operations with the class of Related Parties, which is disclosed in **Section 2.2** of this Circular. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

In the interest of time and in view of the frequent nature of such RRPTs, the Board is seeking for the shareholders' approval for the Proposed Renewal of Shareholders' Mandate, which would allow CSH to enter into the RRPTs with the classes of Related Parties as set out in **Section 2.2** of this Circular, provided that such transactions are necessary for its day-to-day operations, in the ordinary course of its business and are carried out on normal commercial terms and are on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The Proposed Renewal of Shareholders' Mandate is subject to annual renewal and will take effect from the date the Ordinary Resolutions are passed by the shareholders at the forthcoming 23rd AGM to be convened and shall continue to be in force until:

- (i) the conclusion of the next AGM of the Company, at which time it will lapse unless, by a resolution passed at the next AGM, the authority is renewed;
- (ii) the expiration of the period within which the next AGM of the Company is to be held pursuant to Section 340(2) of the Act (but must not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (iii) revoked or varied by resolution passed by the shareholders in a general meeting before the next AGM ,

whichever is the earlier.

If the Board decides that the Proposed Renewal of Shareholders' Mandate sought herein is desirable, shareholders' approval for the renewal of such will be sought at each subsequent AGM of the Company.

(ii) Kenny Khaw Chuan Wah, being an Executive Director of the Company, is also an Executive Director of MMAG Holdings.

(iii) Chong Koon Meng, being an Executive Director and shareholder with a shareholding of less than 1% in both the Company and MMAG Holdings. He has resigned as an Executive Director of the Company on 29 September 2023 and the RRPTs entered into between MMAG Group and CSH Group will be observed for six (6) months until 29 March 2024 as he is deemed as an Interested Director of the Company pursuant to Paragraph 10.02(c) of the Listing Requirements as at the LPD.

(iv) MMAG Holdings is deemed as Interested Major Shareholder of the Company and the RRPTs entered into between MMAG Group and CSH Group will be observed for six (6) months until 29 March 2024 (being the date MMAG Holdings ceased to be Major Shareholder of the Company on 29 September 2023) pursuant to Paragraph 10.02(f) of the Listing Requirements as at the LPD.

2.3 Rationale

The RRPTs to be entered into by the Group are all in the ordinary course of business and would contribute to the generation of revenue for CSH Group.

They are recurring transactions of a revenue or trading nature which are likely to occur with some degree of frequency and arise at any time and from time to time. Some of these RRPTs may be time-sensitive, and it may be impractical to seek shareholders' approval on a case-to-case basis before entering into such RRPTs.

The Proposed Renewal of Shareholders' Mandate and the renewal thereof, on an annual basis, would eliminate the need to announce and/or to convene separate general meetings from time to time to seek shareholders' approval as and when potential RRPTs value is equal to or exceeds the percentage ratio (as prescribed in Chapter 10 of the Listing Requirements). This would substantially reduce administrative time, inconvenience, and expenses associated with convening such meetings on an ad-hoc basis and allow manpower resources and time to be channelled towards attaining other corporate objectives.

2.4 Methods or procedures of determining the terms of RRPTs

The Company has implemented the review and disclosure procedures for the RRPTs to ensure that the RRPTs are conducted on arm's length basis and undertaken on transaction prices and are based on normal commercial terms consistent with the Company's usual business practices and are on terms that are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company.

To monitor the RRPTs, the following review and disclosure procedures have been implemented:

- (i) All companies within the Group are informed of the review procedures applicable to RRPTs;
- (ii) Management of CSH will ensure that the RRPTs will only be entered into after taking into account the pricing, expertise, and other related factors. The transaction prices will be determined by market forces, similar to those prices for transactions with the unrelated third party, and references will be made to surveys and/or valuations to be undertaken to gather information on market prices;
- (iii) There is no specific threshold for the approval of RRPTs. All RRPTs are reviewed and approved by authorised personnel, i.e., the Board and members of the Audit Committee, who has no interest in the transaction;
- (iv) At least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as a comparison, wherever practicable and/or possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. In the event that quotation or comparative pricing from an unrelated third parties cannot be obtained, Management shall review the transaction price based on their usual business practice to ensure that the RRPTs are not detrimental to the Company or the Group;
- (v) A register will be maintained by the Company to record all RRPTs and will be made available to the Audit Committee for its quarterly review;
- (vi) The Audit Committee will undertake a periodic review of the RRPTs to ensure that such transactions are undertaken at arm's length, on normal commercial terms, on terms not more favourable to the Related Parties than those generally available to

the public and are not, in the Company's opinion, detrimental to the minority shareholders of the Company. In its review and approval of such transactions, the Audit Committee may, as it deems fit, request for additional information pertaining to the transactions from independent sources or professionals;

- (vii) All RPTs in excess of RM500,000 to be entered by the Group shall be subject to the review and approval of the Audit Committee or Board of Directors of the Company before the transactions are carried out;
- (viii) All RPTs of RM500,000 and below shall be approved by the Executive Director of the Company provided that the Executive Director is not an interested party to the transaction and table to the Audit Committee every quarter for information. For RPTs where the Executive Director is an interested party, such RPTs shall be approved by the Board of Directors (with all interested parties abstaining from voting);
- (ix) CSH will make disclosures in its annual report of the breakdown of an aggregate value of transactions made pursuant to the shareholders' mandate during the financial year and for the subsequent financial years in which the mandate remains in force based on the type of RRPTs made and the nature of relationship of the Related Parties and the Group; and
- (x) In the case of RRPTs, where any of the Directors has a direct or indirect interest, he shall abstain from all deliberations and voting in respect of the said transaction. In addition, where any member of the Audit Committee is interested in any transaction, that member shall abstain from voting in any matter relating to any decision to be taken by the Audit Committee with respect to such transaction.

2.5 Amount due and owing by the Related Parties

There is no amount due and owing to the CSH Group by the Related Parties pursuant to the RRPTs, which has exceeded the credit term as at the LPD.

2.6 Conditions and disclosure of the Proposed Renewal of Shareholders' Mandate

The Proposed Renewal of Shareholders' Mandate is subject to annual renewal and shall only continue to be in force until the next AGM of the Company at which the Proposed Renewal of Shareholders' Mandate will be tabled annually or revoked or varied by resolution passed by the shareholders of the Company in a general meeting, whichever shall first occur. The breakdown of the aggregate value of the RRPTs entered into pursuant to the Proposed Renewal of Shareholders' Mandate will be disclosed in the annual report of the Company based on the type of the RRPTs, and the name of the Related Parties involved in each type of the RRPTs entered into and their relationship with the Company.

In addition, pursuant to Paragraph 2.5 of Practice Note No. 12 of the Listing Requirements, if the actual value of the RRPTs entered into by CSH Group exceeds the estimated value of RRPTs disclosed in the circular by 10% or more, CSH would make an immediate announcement to Bursa Securities.

2.7 Statement by the Audit Committee

The Audit Committee of CSH has reviewed the procedures as mentioned in **Section 2.4** of this Circular and is of the view that the existing guidelines and procedures for the RRPTs are sufficient to ensure that such transactions will be carried out at arm's length, on normal commercial terms, which are not prejudicial to the interests of minority shareholders of the Company, on terms no more favourable to the Related Parties than those generally available to the public and on terms not to the detriment of minority shareholders.

In addition, the Audit Committee is of the opinion that CSH Group has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner. The Audit Committee reviews the RRPTs' procedures and processes periodically.

2.8 Interests of the Directors, Major Shareholders, and/or Persons Connected to Them
